Dear Parents/Carers,

E Library books

As a school we are now members of the Oxford Owl E Library. This is an extensive library of reading books for Primary aged children ranging from Year R to Year 6.
Attached is a parent user guide for accessing the library.

Class log in details are listed below. All class usernames have the name of the child's class at school.

Head Teacher: Mrs Nicola Morgan-Soane

All children can access all of the books in the library for independent reading at home. An audio facility is available if your child would like the book read to them.

Class teachers may ask children to read a certain book title or may direct them towards a certain book colour or level. This information will be posted in a 'Oxford Owl Reading' sub folder within their J2E weekly learning folders. Please look out for this and encourage your child to read the books at the appropriate level or read the book requested by the teacher. The teacher may set work relating to the book or they may wish to have a discussion about the book that they have chosen for them.

Alongside the E Library there are lots of activities and vocabulary sheets to explore with your child in the Oxford Owl Home section.

If you have any problems accessing the E library please contact your child's class teacher via j2E message or email the school office and they will forward your query to the class teacher.

Enjoy reading and exploring the books.

Kind regards

Mrs M Moore
