Dear Parents/Carers,

Whole class Zoom sessions

We have thought long and hard about how we can make children feel more part of their class during this difficult time for them. We have now decided to hold whole class Zoom sessions for each class once a week. The first Zoom meeting will take place on Friday 22nd January.

We are going to try to make the sessions fun, whilst enabling the children to be able to see and talk to their friends and teacher altogether. We are encouraging all children to take part, therefore it is important that you sign and return the Zoom Home/School agreement (if not already done so), so that their teacher can allow them into the meeting.

We hope that the children will enjoy these sessions and we would welcome your feedback once they have taken place.

With this in mind, please find on the reverse, a timetable of when the sessions will take place together with a Zoom link in order for the children to attend weekly. We have planned the timetable to ensure that each child will have the opportunity to join the sessions, even if they have a sibling in school. Please remember that when Zoom prompts you to put your name in that you **use your child's name**. Also, be reminded that unless a Zoom protocol has been completed and returned, your child will not be able to participate.

Yours faithfully
