

12<sup>th</sup> May 2021

Dear Parent/Carer,

Our school is taking part in Walk to School Week (17-21 May).

The theme of this year's event is 'Walking Superpowers' and through the week, pupils will be introduced to five different Walking Superpowers who will teach them all about these benefits and reinforce the power of walking, superhero style!

Each pupil will be challenged to travel sustainably (walk, wheel, scoot, cycle or Park and Stride) to school every day for one week using wallchart and stickers to log their journeys.

Each class will work collectively to make as many active journeys to school as possible across the week.

**What do I need to do as a parent/carer?**

We would ask, if possible, to please make arrangements so that your child/children can travel actively to school on w/c 17<sup>th</sup> May, helping our school reduce congestion and pollution around the school gates. In return, your child will earn special stickers and a badge! Walking, scooting and cycling all count! If you live too far away from school and need to drive or take public transport, try parking the car or hopping off the bus ten minutes away and walking the rest of the journey.

Thank you in advance for your cooperation.

Yours sincerely

Miss Ball  
Class Teacher
