Dear Parent/Carer,

BOSWELLS PRIMARY PE ACADEMY

We are writing to invite your child to the re-launch of the Boswells Primary PE Academy. We are delighted to be able to bring back these sessions and to work closely with the young people in our community to develop their love for sport and improve their skillset in a range of different activity areas. By signing up and taking part in the Academy we hope that your child will be able to make new friendships, build relationships with staff, familiarise themselves with the school and the PE department, and get to develop their sporting potential in a fantastic sports facility within the local community.

Across the year, students will complete terms of work in a range of sports that will include basketball, football, netball, badminton and tennis, and athletics. The sport for the first term of activity up to October half term will be volleyball; we have a proud history of national success in volleyball, and look forward to getting young people in the community involved as well. After half term up to Christmas, the next block of activity will be basketball; again, something we have a proud tradition of here in school with boys and girls teams at all age groups.

The sessions are going to be held every Wednesday during term time from Wednesday 8th September up to and including Wednesday 15th December; this is fourteen sessions in total, and dates can be found at the bottom of the letter.

General details for the Primary PE Academy club can be found below:

- All sessions will begin with registration at the Sports Hall
- Sessions will run from 4.00pm until 5.00pm with a member of the Boswells School PE staff
- Students can wear any kit appropriate and suitable for physical activity
- Most importantly, all abilities are welcome

The cost for the term will be £35; this equates to £2.50 per session, which we hope you would agree represents fantastic value for money.

To secure a place for your child, please complete the online Microsoft Forms registration document by clicking on the link below and completing the necessary details.

Due to the nature of the activities being offered and the facility being used, numbers are capped at 40 and will be allocated on a first-come, first served basis. The deadline for submitting your form is Friday 30th July 2021; after this date, if we have not heard from you we will assume that you do not wish for your child to attend, and confirmation emails will be sent to all those that have applied for places informing them of whether or not they have secured a place.

We look forward to hearing from you and working with your child. If you have any questions relating to the Primary PE Potential sessions, please do not hesitate to contact me at cry@boswells-school.com.

Yours sincerely,

Mr C Ridgway
