Head Teacher's Message

Dear families,

There is lots of exciting news to share from last week and things happening this week which I want to share with you all.

Year 6 – Got their ties!

I had the pleasure of awarding our current Year 6 team their ties last week!

It is a rite of passage here at Trinity Road, when you get in to Year 6, you get awarded your tie. These ties represent the responsibility of being a role model and being the oldest children in the school. The Year 6 children couldn't have been more proud. Thank you to you all if you supported with lessons on how to tie these at the weekend!

Congratulations to our School Kitchen

Last week our school kitchen and our school catering team were officially awarded their Food Hygiene rating of 5! The highest rating!

Thank you to this team for all their hard work to keep everything going so smoothly given recent absences.

The Circus Is Coming To Town!

The date has changed for the circus that has been organised by the Friends of Trinity (FOT) – this is now on SUNDAY 3RD OCTOBER. Tickets are on sale through FOT and they will be selling them tonight after school on the playground. We look forward to seeing you there.

Trinity Road School Street

You may have seen in the local press that Essex Highways are proposing introducing a School Street in Trinity Road. The idea of a School Street is that the road is closed to traffic, except for access, around drop off and pick up times.

I'm sure you will agree that this will be great to ensure the safety of our children at extremely busy times outside our school gates. This is still very much in the planning stage, and we are working with all agencies involved to ensure that it works well for our school and the local community.

Part of the planning process involves you; the parents and carers of our children. Therefore tomorrow, Tuesday 21st September, a pop-up will be taking place on the school playground from 2:50pm to enable you to find out more information. The **Safer Greener Healthier team at Essex County Council** are launching a survey from today to 3rd October here: <https://consultations.essex.gov.uk/sustainable-travel-planning-team/chelmsford-school-streets-survey>

If you could spare five minutes to answer the questions, they would be very grateful.

Reception Baseline Assessments

Currently the Reception Team are undertaking Reception Baseline Assessments – these are an assessment for children in reception to measure their progress in primary schools from 2021. These assessments are delivered one to one by our Reception Teachers. We were part of the pilot project for this from the Government previously and our previous input has helped to shape the current assessments.

Parent Governor Elections

We have a vacancy for a Parent Governor here at Trinity Road. I have included some additional information about this role and if you wish to nominate yourself, there are details about how you do this.

Have a super week everyone.

Improving School Communications with ParentMail and Our School App

Please be aware that we have two parent communications:

OurSchool App – is a communication system that we use to enable you to book Learner Conferences, pay online for school meals and trips. Please download this App on your mobile device.

On this App you are also able to view the school calendar at the touch of a button.

Parentmail App – is a communication system that we use purely for emailing parents. By downloading this App, any emails that are sent by the school will show directly in here, rather than being mixed in with your outlook/gmail inbox.

Please download both Apps in order to keep yourself updated
