Head Teacher's Message

Dear families,

We hope you enjoyed the festivals of light celebrations last week, if you were celebrating Diwali, or enjoying fireworks for Bonfire Night.

Lost Belongings

We are aware that a number of children are losing their uniform and winter clothing items. If your child comes home with another child's uniform items or coat then please do bring this back to school so it can be reunited. Furthermore, please ensure your child's clothing is clearly labelled so that it is clear who the owner is. It is also important that your child can recognise their items especially if they are newly purchased. While we know this is frustrating when children lose school clothing, please support the school by ensuring items are clearly labelled. Staff will endeavour to support your child to find their lost items, and you are welcome to come to the school entrance to look in lost property.

Parent Governor Elections

Please vote in the upcoming parent elections to fill our two parent governor positions. Information will be coming out to you all shortly about how you can vote. Information from the candidates has already come out to you, so please cast your household votes and ensure these come back to us promptly.

Friendship Week/Anti-Bullying Week – Monday 15th – Friday 19th November

Ms. Finch is leading on Anti-Bullying Week next week and has organised a range of activities, lessons and workshops with the children to help them to understand a range of bullying issues.

We have drama workshops booked throughout the week to support children to understand bullying situations and how they can act and respond to support friendships, have their voice heard and champion change. Please speak to your child across this week to find out more about what they have been learning.

Our theme this week is 'Being Different, Belonging Together' to mark this we are asking the whole school community to wear ODD SOCKS on Monday 15th November. Please join us in being different and belonging together by all wearing your odd socks to school. There is no charge to join in with this and full uniform is still required.

Children In Need – Friday 19th November – Non Uniform Day £1

It is Children In Need on Friday 19th November. We are inviting your children to donate £1 to this charity and in turn we are excited for you to wear non school uniform.

If you would like to follow the Children In Need theme of Pudsey ears, yellow or spots we are happy for you to do this yet we do not expect you to incur additional expenses to join in with this charity event. Your £1 donation will all go to the charity.

Reducing the spread of COVID

Thank you for working with the school to further support reduce the spread of COVID-19. We know that you have been following the advice from the Director of Public Health and the Director of Education to do twice weekly Lateral Flow Tests.

Thank you to you all for your continued communication about your test results and symptoms too – we recognise you are all being incredibly vigilant.

New IT System

We have had a new electronic sign in system in the school office. This will mean all visitors to site will need to sign in differently. This is a brand new system for the school and will streamline many safeguarding and office procedures. We appreciate your patience as we are launching this system and training our staff team.

Train To Teach

The Saffron Teaching School Hub are holding an online twilight session for parents/carers who are interested in training to become a primary or secondary teacher. I have attached a letter from the training lead Anela Rodda and a flyer for your information to share more about the online event.
