# ADVENTURE HUNTERS

## CREATIVE WRITING COMPETITION FOR 7-11 YEAR-OLDS

**Transport your pupils into the incredible world of creative writing with Adventure Hunters...**

From magical trips and epic quests, to under the sea adventures and imaginary worlds. Adventure stories let your pupils escape anywhere. Allow them to explore genres, ideas, settings, and characters as their imaginations wander.

Adventure Hunters invites your pupils to write a mini saga (a story told in 100 words). This fun challenge allows your pupils to skip straight to the action and helps them focus their ideas!

Adding a constraint to writing helps remove the fear of getting something wrong. Meaning you'll have a happy productive class!

Do your pupils need a bit of inspiration? The optional story starters are perfect for kick-starting an action-packed tale.

It's time to get lost in the wonderful world of creative writing...
