Trinity Teaching Chelmsford

This week schools across Chelmsford have offered free training to colleagues from other schools in a Chelmsford-wide professional learning event. We are proud to have delivered training to teachers from other schools and also enable all our teachers to attend training and professional learning in other schools; led by skilled adults and specialist practitioners. Miss Albiston led a specialist maths session to other teachers to support them using a wide range of maths resources to support the children. Well done Miss Albiston!

Vicky Ford MP Visit

Vicky Ford MP visited our school last Friday to see and hear about all the wonderful work the school does to support the speech and language development of children across our school and for those who attend our Enhanced Provision, led by Mrs Brown and Miss Crook. During her visit Vicky Ford saw children learning in their speech and language groups and saw the early intervention sessions led by our specialist speech and language therapist. We were very proud to share the work we do and celebrate the team that does this. Thank you to Mrs Brown, Miss Crook and Mrs Wallaker who led this.

Diana Award Charity

Following on from the two previous anti-bullying events we have held, Miss Finch has successfully applied for funding, from the Diana Award Charity, to train up our very own specialist anti-bullying ambassadors. The Diana Award Charity will be providing us with the training for our new ambassadors.

Dermot O'Leary – Book Event

We are so excited to have been chosen to attend a book event with Dermot O'Leary. Our Year 3 and 4 classes will get to meet Dermot online, where he will share his new book; Toto The Ninja Cat And The Legend Of The Wildcat, how he wrote the story, his inspiration behind his book series about his very own cat and how to be an author. We can't wait to hear about this event when it takes place next week.

Save the Dates; there are a few diary dates coming up!

Living with COVID

We are now hopeful that the worst of COVID is behind us. The school still has a small number of positive cases yet I am reassured that people are following the government guidance that is still in place. We are all learning to live with the virus in accordance with the government's plan and as a result of the changes to the government's announcement, the school has altered its risk assessment. The main changes are as follows:

- Staff are no longer asked to wear masks around the school, but can do if they wish.
- The majority of staff are no longer being asked to test twice a week, but many still are voluntarily.
- We will still ask you to ensure your child remains off school if they have COVID, in line with the government guidance.

- We will still ask you to come and collect your child if they are showing any symptoms of COVID.

We act on guidance and advice from the government and Essex and may make changes to our risk assessment accordingly, along with the current COVID situation in our school.

The Conflict in Ukraine

I am aware that the images from the conflict in Ukraine are possibly very distressing for our children and many of them are feeling anxious at this time. Class teachers have been provided with some resources should the children ask questions in school and there are some useful resources that you can use at home as well; below are some links to internet-based resources, but there are many more available. I am sure that as parents and carers we are all hoping for a speedy end to the conflict and a restoration of peace.

If you would like to talk to someone about this, please contact Miss Gilbert in school or talk to your child's teacher.

Have a super week everyone.
