Head Teacher's Message

Dear families,

Welcome back after a lovely half term. I hope you enjoyed the weather, time together and celebrations for the Queen's Platinum Jubilee. It is the start of our last term and there is lots planned to make the most of the summer time through June and July. Lots of information about the upcoming events will come out through the newsletters this term, so please keep an eye out for dates and events.

New Term – New Learning

As we start our new term, the children will be starting their new learning topics and focus areas within classes. Knowledge organisers for their new learning will be coming home and will be available on the website in our [Curriculum area](#). You can see an overview of the whole curriculum in our Curriculum Coverage Map at the bottom of that page. You can use your child's knowledge organiser to see an overview of the key information for their new learning, which can help you to further support your child.

Menu Changes

Please be aware there are a few menu changes for this week on Tuesday and Thursday. More details are given in the rest of the newsletter.

Gathering views – parent/carers survey

I hope you have all had a chance to share your views using the link I sent before half term. The parent/carers survey ends on Friday 10th June and I would welcome everyone to respond. It is important that we capture your views as we will use these to evaluate where we are at currently, and support us to plan for the future decisions for the school and our continuous improvement. In addition, we will use your views to contribute to our whole school work on setting the school vision and ethos.

Use the link below to access the survey;

<https://forms.office.com/r/FCQaXd52xb>

Or

Scan the QR code on another device to access it.

Hot, sunny or rainy!

We never can tell what the British weather is going to give us, so please make sure your child is prepared for all weathers. Please make sure your child has a water bottle with them each day (with water in, not juice) and a sun hat (these are available as part of our uniform). As the sun becomes stronger, we advise you to put sun cream on your child before they come to school; the long lasting ones can provide protection across the school day. It is tempting not to send your child in with a coat as the weather gets warmer, however if rain or showers are forecast, please ensure they have a raincoat with them also.

Physical Education (PE) Kits – a reminder

Make sure your child has their PE kit in school, which includes appropriate footwear so they can take part in PE outdoors. The items from our school [PE kit](#) are listed on the website, please ensure your child has their kit to take part in their PE lessons.

PE is part of the National Curriculum and many children enjoy the range of sports, movements and skills they learn during these lessons.

Phonics Resources –Reception, Year 1 & Year 2

Mrs Monk has been busy making resources to support families of our children in Reception, Year 1 and Year 2. We know navigating the sounds and information for Phonics can be a bit of a minefield and to help you Mrs Monk has put together some new resources for you on the school website. If you weren't able to attend the parent meeting for Year 1 she did last week – don't worry, she recorded it for you to watch. I know Mrs Monk will be doing some more workshops and resources to help you support your child's phonics learning at home. Please contact the school if you would like further support and information about phonics.

Uniform

Please make sure your child is wearing school uniform. Uniform helps children to feel part of the whole school community and everyone looks smart when they are wearing it. Hoodies and sportswear are not part of our uniform. Most items of uniform do not need to be branded and can be purchased from supermarkets. Uniform, as well as items with the school's logo, can be purchased from <https://schoolwearplus.com/>.

Parking

During busy times at the start and end of the school day, parking is

becoming an issue for families and children, as well as for residents in the houses locally. Please ensure you are parking safely and responsibly. Alternatively please park a short distance away in the Chelmer Village and Riverside retail parks and walk the remaining short distances to school. Parking wardens are working in this area and will be conducting regular patrols, due to the number of parking incidents that are happening outside the school.

Friends Of Trinity (FoT) Summer Events – Save the date

There are lots of events planned for the summer term and many dates for you to save so you can join us.

Ice Lollies – FoT will be selling ice lollies at the end of the day this Friday (10th June) on the playground. They will be doing this weekly on different days. This will be weather dependent and on a first come first served basis.

Trinity Road Summer Fun Day – this is on **Saturday 2nd July from 11am-3pm.**

Can you volunteer to help us set up, man a stall or close down? If you can, please contact Sharon Johnson with your availability – even if it is for a few hours that would be a real help. Her email is below.

If you are able to display one of our sponsored Summer Fun Day estate agent boards advertising our event, please let Sharon know by emailing her on sharonjfof@gmail.com and she will be in touch.

Rainbow Raffle – Each year group has been given a colour and the FoT would like you to donate items in the colour each year group has been assigned. To see your child's colour for the Rainbow Raffle, please see the next page. All colour donations will need to be in to school by Friday 24th June.

Father's Day/Special Person Day Stall

FoT volunteers will be selling items for children to purchase to mark Father's Day or for that special person in their life. Their stall will be on Wednesday 15th June. Classes will get a chance to visit the stall – all items will be £2, please send your child in with £2 if they wish to buy something on that day.

We are looking forward to seeing everyone back at school tomorrow, Tuesday 7th June. Have a super week everyone.

A handwritten signature in black ink, reading 'N. Outhwaite'.

Free Community Meal

Food Cycle run a free community meal on Thursday evenings at 5:30pm, at Springfield Park Baptist Church. Everyone is welcome to join them for a meal and they offer surplus food for guests to take home to help them during the week.

Food Cycle ask that anyone under the age of 18 is accompanied by a responsible adult for safeguarding purposes. They have a Project Leader on site at all times, who has undergone an Adult workforce DBS check and completed their internal safeguarding training.

They hope that families from all walks of life may consider coming to join them for a delicious free meal!

If you would like to find out a bit more about Food Cycle, please take a look at their website <https://www.foodcycle.org.uk/>

Email: chelmsford@foodcycle.org.uk

Phone: 0207 729 2775

Please do not attend if you are unwell or have COVID symptoms.
