

Trinity Road Primary School 2021-2022 Sports Premium Strategy

Total amount of Sports premium received	<p>£18623 + 5397.73 carried forward = £24020.73 (Apr 21 – Mar 22) Actual spend = £12687.91 (Mar 22) £11332 (to be spent by 31st July 22)</p>
---	--

What do we wish to achieve with our sports premium?

- Continue to increase children's access to county wide competitions (When possible)
- Continue to provide a wide range of sporting activities and clubs (when possible) within school
- To develop sporting basic skills at an early age
- Continue to improve the quality of sports teaching

<u>Objective</u>	<u>Activity</u>	<u>Target group</u>	<u>Amount allocated</u>	<u>Actual Spend</u>	<u>Intended</u> How this intervention will improve sports outcomes	<u>Impact</u>
To increase children's access to county wide	Membership of sports partnership	All	£1,084	£1,072	Children will have access to a range of competitions (when	Many events have been unable to take place due to COVID

competitions and experience a wide range of sporting activities					possible). Children are able to try new sports through the loan of equipment. Teachers access online sports training resulting in improved sports teaching	however we were able to attend a football development session during the first half of the Autumn term and a KS2 cross-country event and a Teddy Lympics (Multi sports) event during the second half of the Spring term. These were thoroughly enjoyed by the children with some children achieving well at both events.
	Sports coaching and equipment	All	£4673.50	£4673.50	Children are better prepared for competitions Children's basic skills are improved from an early age	Sports coach left at the start of the 2021-22 academic year but had provided additional basic skills sessions for children to help to develop these skills and improve activity after periods of lockdown.
	Transport to and from events (when possible)	All	£1500	£170.00	All children are able to attend	Due to COVID many external events were unable to go ahead. Yr1 were able to

						attend an offsite event during the Spring term and KS2 took part in a cross-country event
To increase number of sports clubs within school (when possible)	External providers to run a wider range of clubs	All	£3000	£2250	Wide range of clubs are offered for children of all ages.	Clubs have run from the second half of the Autumn term and have been very well attended. All sports clubs have a waiting list. 72% of children across KS1 and 2 have attended a club. 59% of PP children have attended clubs. Feedback from children has been positive – ‘It’s been great to learn skills that we can’t do in class’ (Cheerleading), ‘I’ll definitely be signing up for my club again’ (a common answer), ‘
	Additional staff to run clubs	All	£2933.73	£524.66		
	Additional resources and equipment to run in house clubs	All	£200 per term		To ensure that equipment for clubs is provided to run a	

			£1000 total		range of clubs with consumables and additional equipment beyond what we currently have.	
To continue to improve the quality of sports teaching	Subscription to Get Set 4 PE	All	£550	£550	Staff have a range of resources to help them to teach PE effectively and safely and are able to embed activity across the school.	Staff have used the Get Set 4 PE subscription to deliver lessons. The school PE long term plan has been revised in order to achieve the most that we can from this and for staff to get the best outcomes for the children. Feedback from staff has been good with all saying that it has helped them develop their PE teaching practice.
	Hiring of qualified coaches to work with teachers.	Teachers	£2000	£1800	Staff have opportunities for professional development and training.	
To encourage active travel to and from school	Scooter pods/racks	All	£1000	£0	Physical activity is embedded into the school day by encouraging active travel to and from school.	Planned building work has been delayed so these have not yet been purchased.
To develop resilience and perseverance	Medals and badges	All	£81	£26.90	Children want to achieve well in competitions so	Due to Covid restrictions Sports Day 2021 was held in

					become more determined to have a go and keep going to improve on previous performances. Positive self-esteem, resilience, determination and perseverance are developed.	bubbles, thus limiting the amount of competitions that took place.
Embedding Physical activity throughout the school day	Lunch time equipment boxes	All children	£600	£547.63	Physical activity is embedded into the school day by encouraging active play at lunchtime Physical activity is brought into Maths and English lessons, promoting physical activity in all areas of the curriculum	Children have enjoyed having the extra equipment to play with at lunchtimes. Feedback included: 'It is really good as we have to share things.' 'Lunchtimes have been more enjoyable since we have had them.' 'There are more games for us to play.' 'We run around more when we play with the equipment.'
	Subscription to Teach Active (From Autumn 2)	All children	£810	£675		
Raising attainment in swimming to	Year 5 children who had not met KS2 National Curriculum	Selected Year 5 children	£678.50	398.22	More children will achieve NC	Sessions began during the second half of the

meet requirements of the National Curriculum before the end of Key Stage 2	standards to attend additional swimming lessons (From Autumn 2)				requirements in swimming	Autumn term at this point 12/44 children (27%) had reached the requirements for the end of KS2. Assessment during the Spring term showed that this had increased to 17/44 (39%) children achieving the end of KS2 requirements. Sports Premium funding will continue to be used for catch-up swimming lessons across the next term and academic year.
