Head Teacher's Message

Dear families,

It is very sad to see the devastation across Turkey and Syria due to the recent earthquakes. It is clear from speaking to many of you this week that you would like to support these communities during this time. There are many Charities locally and nationally that are asking for support to send resources and aid to the people who need support. The Disasters Emergency Committee (DEC) is an international Charity that is asking for donations. I have put the link to them [here](#) if you would like to donate. Or you can read more about the reason for the emergency appeal here: <https://www.dec.org.uk/>

Some of our families, who come from the countries and the regions affected have also provided information about how you can support.

Children's Mental Health Week – Let's Connect

This week children have been taking time to focus and be more aware about their mental health. Mrs Killeen is helping the children with the theme this year of 'Let's Connect', which helps children to identify ways that they can make meaningful connections with people.

As a staff team we have been looking at Mindfulness for the children in school and how they can make the most of their mindful moments to connect with themselves, their environment, nature and each other.

Story Telling Session

We had a super story telling session with some families from across the school on Tuesday 31st January. This was a trial event for us and it went really well. Miss Clare will be looking to roll out more sessions across the rest of the spring and summer term.

Sweets & Toys in School

Sweets

I'd like to remind you not to include sweets and chocolate in your child's packed lunch, or for a break time snack. In addition, please ensure that you continue to support the school with our Healthy Schools Status by not handing out sweets for your child's birthday on the school premises.

Toys

Children have started to bring toys and personal items, such as Pokemon Cards and pocket trinkets, in from home. Please ensure you speak to your child and ensure they do not bring home items into school. These cause a huge distraction, as well as often getting lost or damaged.

World Thinking Day – Scouts Founders Day - Wednesday 22nd February

Scouts Founder's Day on Wednesday 22nd February honours Lord Baden-Powell and his wife, Olave, the first Chief Girl Guide.

On this day we are inviting you to celebrate by **wearing your uniform** if you attend Brownies, as well as Rainbows, Guides, Beavers, Cubs and Scouts, within the school and our leaders are welcome to wear theirs too. Be proud!

iRock Music Lessons – Starting Thursday 23rd February

If you have signed up for the iRock music lessons, these start on Thursday 23rd February.

Expansion News

I'm sure you have had a look and can see the changes with the construction site. We have foundations and the start of the footings of a building! Currently the external services are being installed, including the drainage.

Time Capsule Ceremony

After the half term we are laying a time capsule under the new building on Friday 24th February. The whole school are involved in contributing to the time capsule contents and every child will be able to sign the outside. We didn't find anything under the lunchbar when it was demolished unfortunately and we are hoping no one finds our new one any-time soon!

Have a super half term week everyone. We will see the children when they return on Monday 20th February.
