Head Teacher's Message

Dear families,

This is the last week of term before the May half term. The Summer Term is going quickly and so is the year!

Did you see a Bee on World Bee Day?

On Saturday 20th May it was World Bee Day! Bees are a vital insect in our world to pollinate flowers, plants and help in the growth of new plants and crops.

Find out more about the amazing Bee below – lots of facts and information for children:

Marvellous Money & Me Day – Friday 26th May

Miss Albiston is leading the way to bring a new Maths learning day to our school in conjunction with HSBC bank. On Friday 26th May we are doing a special event focusing on being money wise, money smart and understanding more about sensible spending and smart saving.

Children will be linking live across the next week to HSBC bank to build their money literacy, they will meet people who work in the bank,

learn about what goes on in a bank, as well as undertaking some special maths challenges on Friday 26th May.

School Cutlery

Bit of a strange one... if your child has school cutlery at home, please could you return this to school. The cutlery for school lunches is vanishing at an unusual rate. While we know the odd piece may get swept into the food bin when the children clear their trays, it appears that the children seem to be removing cutlery from the dining hall.

Thank you for your help with this – this is an unusual thing to write, but the rate at which it is missing, this means we need to purchase an additional 1200 pieces of cutlery!

Be On Time! The Minutes Matter

Gates open at 8.35am and the blue doors open at 8.45am.

The school bell will sound at 8.50am to let everyone know the gates will be closing in 5 minutes.

At 8.55am the gates will close and all children need to be in by then.

Work with us to make sure your child is in on time and ready to start their day with their classmates. If your child is late, even by just a few minutes, they will miss a significant amount of learning over time. Lateness is recorded and you will be invited to meet with the Attendance Officer if your child is frequently late.

Getting Your Child to School Really Matters

Did You Know... ?

In a School Year, If Your Child is Late Every Day By... Your Child Would Have Lost Approximately... or They Would Have Missed Approximately...

5 Minutes	3.5 Days from School	20 Lessons
10 Minutes	7 Days from School	41 Lessons
15 Minutes	10 Days from School	55 Lessons
20 Minutes	14.5 Days from School	82 Lessons
30 Minutes	22 Days from School	123 Lessons

Please Encourage Punctuality to Maintain Attendance

Dog's Trust – Wednesday 7th June & Thursday 8th June

We are excited to welcome the Dog's Trust Charity to come in to lead assemblies and workshops with all classes in our first week back after the half term.

Not only does the Charity do work to re-home dogs, but they work with schools to educate children on two main themes: responsible dog ownership and safe behaviour around dogs.

Class Photos – Friday 9th June

The children will be having annual class photos taken on Friday 9th June.

Parking

If you have concerns about the parking around school, I encourage you to contact the Council yourself and report this matter. You can do this by contacting Chelmsford City Council – Reporting a Parking Issue:

<https://www.chelmsford.gov.uk/parking-and-travel/parking-restrictions/report-a-parking-issue/>

You can also park for free using the Council's park and stride scheme at The Meadows. Details about this scheme are below.

Park & Stride - The Meadows Parking – How to Apply

Do you want a reliable place to park where you won't get a ticket for drop off and pick up times?

From now on, if you wish to utilize the park & stride scheme at The Meadows you will still need to enquire at our school reception, where we will be able to verify that you are indeed parents of a attending child. The school office team will now only need to take down the required vehicle registration and the postcode of your home address (which should be the same address as we hold for your child in our school system and the address that your car is insured at), both of which will need to be passed onto Essex County Council to

be added onto a database. There is no physical permit to display – it is all done on your vehicle registration number.

Once you are registered here is the advice from the council:

When parking after being registered, a parent would still need to take a ticket when entering the carpark, (but do not pay at the machines). On exit they need to push the help button to exit. The controller will ask them for their vehicle registration number and to scan their ticket. The first 45 minutes will be free, beyond the 45 minutes will be payable whilst at the exit barrier.
